
Centerpointe

Office Parks / Mixed Use

Client/Owner: Ciminelli Development Company

Project Location: Amherst, New York

Centerpointe is a multi-use development comprised of a successful blend of office, single- and multi-family residential, and commercial uses, in park like settings.. Notable firms located within one of Western New York's premier class "A" office parks include: Independent Health, AAA, the Amherst Chamber of Commerce and the Ciminelli Development Company headquarters. Prestigious, luxury residential projects such as Centerpointe Subdivision and Hidden Ridge Common, are located within walking distance of Centerpointe office and commercial development, and the Village of Williamsville. Commercial and institutional occupants of note include Wegman's, the United States Post Office. The site is located along Essjay, Farber Lakes, and International Drives, on the south side of Sheridan Drive between Evans and Youngs Road, in the Town of Amherst.
