

Smith Point County Park Multi-Use Pier

3D Model of Proposed Multi-Use Pier

Client/Owner: Suffolk County Dept. of Public Works

Project Location: Brookhaven, NY

The project involved the preparation of final design plans for this ADA accessible multi-use pier. The pier is comprised of a Greenheart timber ramp structure with IPE wood deck, pier sections accessible for the handicapped to fish, and a canopy rest area. Solar lighting is provided throughout the pier.
