

GPI ranks #69 in the top 100 firms selected as the 2022 MEP Giants!

**MEP
GIANTS
2022**

Recognized as a firm that continuously pushes the boundaries in the mechanical, electrical, plumbing, and fire protection engineering sectors, GPI provides the top engineered systems in the building industry.

***Consulting-Specifying Engineer* Announces the 2022 MEP Giants**

Downers Grove, Ill. — *Consulting-Specifying Engineer*, a CFE Media and Technology publication, has announced the 2022 MEP Giants. The MEP Giants program lists the top mechanical, electrical, plumbing (MEP) and fire protection engineering firms in North America. The detailed analysis of these firms reveals industry insights and how the industry has changed over the past several years.

The 2022 MEP Giants have earned this title by proving that they find opportunity in the many changes in the building engineering industry. Data collected from these top 100 firms over the past several years has helped *Consulting-Specifying Engineer* analyze and identify trends in the building engineering community.

About Consulting-Specifying Engineer

Consulting-Specifying Engineer (www.csemag.com) is a print and online publication serving the nonresidential building industry. It covers mechanical, electrical, plumbing and fire/life safety engineering for commercial, industrial, government, health care and high-tech buildings.
