Dennis Road over Little Sister Creek Bridge Replacement, PIN 5764.89
Town of Evans, New York (BIN 3327510/BR 183-01)

PUBLIC INFORMATION AND COMMENT PERIOD

This notice is in regard to a bridge replacement project on Dennis Road located between Lake Shore Road and Bennett Road. Erie County is soliciting input and comments from the public on the proposed improvements. There will be no formal public meeting for this project, however information regarding the project scope is included on the following page as well as available on the project website: <https://www.gpinet.com/dennis-road-bridge/>

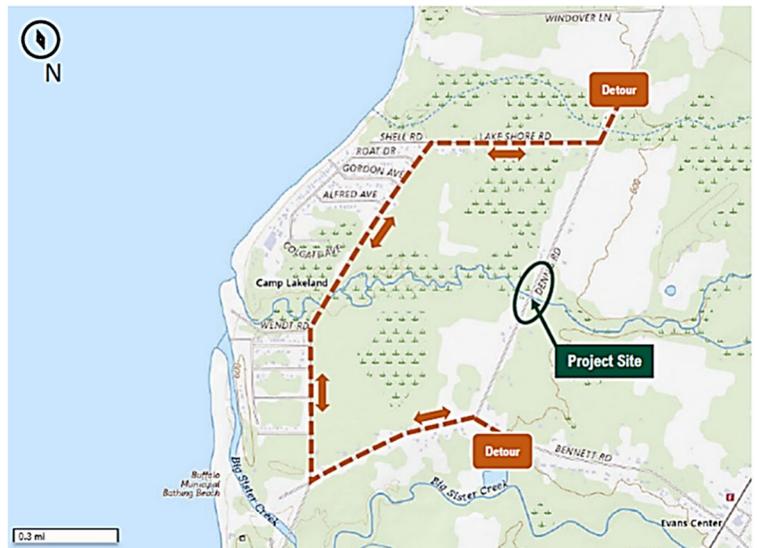

The project includes:

- Bridge Replacement
- Approach Roadway Work

Maintenance and Protection of Traffic

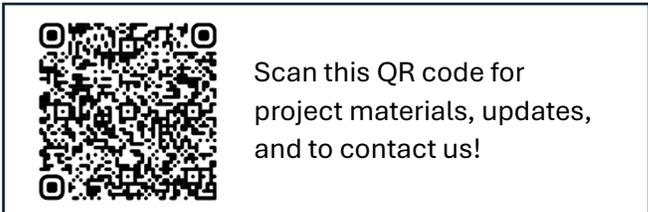

A temporary detour is anticipated to perform this work. Dennis Road will be closed between Lake Shore Road and Bennett Road except for local residential traffic. The detour will divert traffic along Lake Shore Road around the project site.

Access to the Ayer-Stevenson Wildlife Refuge Trailhead will not be accessible for the duration of construction activities.

Interested residents and the general public are encouraged to review the written and graphical documentation available. Comments or questions may be directed to the design project manager. Comments will be accepted via phone, e-mail, or written comments postmarked by Friday May 9, 2025. Feel free to use the attached comment form or complete the comment form found on the website listed above. If you require additional language services, please contact Erie County at the address below.
